

WINE TASTING

We are passionate about showcasing the best wines of the Piekenierskloof and Cederberg regions, where the bush vines, perched high above sea level, produce wines of purity and character. A true expression of their place.

CHENIN BLANC R50

Chenin Blanc flourishes in the Piekenierskloof and Cederberg, where a combination of soil and climate produces wines filled with flavours of stone fruit, citrus & tropical aromas.
